[A Green Story](#), the inspirational, true story of [Van Vlahakis](#) (Ed O’Ross), a Greek immigrant who arrived in the US with only pennies to his name, debuted at the **2012 LA Greek Film Festival** on Thursday. The Paramyth film follows his amazing life journey, pursuing the American dream and ultimately building Earth Friendly Products, a corporation that was revolutionary in the distribution of environment-friendly cleaning products. While terminally ill, Vlahakis secured one final business deal; the deal of his lifetime.

Playing **Vlahakis’ granddaughter** and [Shannon Elizabeth](#) character’s daughter in [A Green Story](#), is [Talia Jackson](#), a child actor from Wisconsin. A young [triple threat](#), Talia was originally discovered by Grammy

award-winning producer, [David Foster](#), and has performed with on stage with [Andrea Bocelli](#) and [Heather Headley](#).

Talia with younger brother Armani, also a child actor.

Talia stars in an ongoing International Disney program "**Disney English**," which teaches English to children all over the world and recently completed work on the film "**Awakened**," a thriller written and directed by **Marvin Willson**.

Her younger brother Armani, 8, (pictured left) is also a child actor with a recent role on ABC's short-lived "**Man Up**." Jackson's father [Trent](#) was a professional basketball player and her mom Kelly, was a **Cover Girl** model represented by **FORD** and **Elite**.

Jackson is currently represented theatrically by **Paradigm** and by **Coast to Coast** for print, voiceover and commercials.
